Trashy Bags
 270 tons of plastic waste are generated every day in Ghana - 85% from non-biodegradable plastic bags containing purified water and ice cream. Recycling plastic into useful and attractive products is creating a healthier environment and generating jobs for many Africans. Plastic bags are carefully washed and disinfected.

Journey
As we embark on our journeys throughout life, often we find that the true value of the journey lies not in the destination, but in all of the lessons we learn along the way. The beauty of life is in the journey.

Our Mission

Global Mamas enhances the international marketplace with unique, high quality, African-made products, and at the same time provides sustainable livelihoods for women in Africa.

Our Fair Trade Practices

-  Global Mamas ensures women are paid a living wage, enabling them to truly improve their standard of living and achieve economic independence.
-  For the past 9 years, nearly 35% of annual revenue was paid in wages to the women in our producer network.
-  Women are paid upfront for completed products and receive financial assistance through a raw materials revolving loan fund.
-  Global Mamas provides business management and product development training allowing women in the network to grow their businesses through innovative strategies.
-  Global Mamas is recognized by the Fair Trade Federation and the World Fair Trade Organization.

LOVE your product. **KNOW** your producer. **CHANGE** her life.
