# Powering Change by Empowering Women

Global Mamas transforms the lives of women in Africa by cultivating sustainable income opportunities through the production and export of unique, high-quality, fair-trade products. We believe that women gaining financial independence is the most effective way to achieve lasting prosperity for themselves and their families.

## Our Fair Trade Practices

- For the past 10 years, nearly 35% of annual revenue was paid in wages to the women in our producer network. Global Mamas ensures women are promptly paid a living wage, enabling them to truly improve their standard of living.
- Global Mamas provides business management and product development training allowing women in the network to grow their businesses through innovative strategies.
- Global Mamas engages producers and encourages dialogue in setting payment rates and organizational policies.
- Global Mamas strives to achieve zero waste in production. Many products include locally sourced and recycled materials.
- Global Mamas is recognized by the Fair Trade Federation and the World Fair Trade Organization for adhering to fair trade principles.

## **Love Your Product. Know Your Producer. Change Her Life.**

Global Mamas products are handcrafted, making each item slightly unique while maintaining the highest quality. The methods used preserve traditional arts that have been passed down through the generations.

Each item comes with a tag that describes Global Mamas and gives the producers' names.

Signage and other display information to help you share our story can be downloaded for free on the Global Mamas wholesale website.

When presented with economic opportunities, each Global Mama carefully invests her earnings to ensure the advancement of her business, her employees and her family.
